Sardar Vallabhbhai Patel International Airport (SVPIA)

Sardar Vallabhbhai Patel International Airport (SVPIA), with a rich history of over 80 years, is spread over 987 acres and is Gujarat's busiest airport by passenger traffic. In FY 2024- 25, SVPIA processed 13.3 million passengers and managed nearly 280 Air Traffic Movements (ATMs) daily.

With a 'digital-first' philosophy, the airport offers every passenger a seamless experience driven by state-of-the-art technology, infrastructure, and operational excellence. SVPIA manages air cargo exceeding 100,000 metric tons per annum.

In 2025, SVPIA became the first airport to receive the prestigious 5S Certification from JUSE and QCPI, and the third airport in India to be accredited with Level 4 by the Airport Council International (ACI). SVPIA has achieved the accolade of Zero Waste to Landfill (ZWL) from the Confederation of Indian Industry (CII-ITC) Centre of Excellence for Sustainable Development in 2024, showcasing its commitment towards sustainable aviation.
